Alpha Leadership Training Seminar “Equipping Leaders For Effective Witness to Christ”

Saturday, April 19, 2008
9:30 a.m. - 3:30 p.m.
(Check in and Coffee at 9:00 a.m.)

First Presbyterian Church
215 N. Locust Street, Visalia, CA 93291
(559) 732-8627

Please join us for Leadership Training from experienced Alpha leader Peter Batchelder. Our guest speaker, formerly on staff at Fuller Technological Seminary, is now Outreach Pastor at Marin Covenant Church and an experienced instructor with Alpha USA.

Join others from the Central Valley to discover the unique way the Lord can work through Alpha to share the Gospel with unchurched folks, energize believers, and train leaders for a variety of ministries in your church. Alpha is witness through your congregation that is gracious, thoughtful, open for discussion, and a lot of fun!

Bring a team of leaders/potential leaders to learn together the principles and practice of Alpha, hear testimonies of effective witness, experience a condensed version of the typical Alpha Program: a friendly fellowship meal, engaging video message on basic Christianity, and small group discussion where all questions are welcome. Learn proven ways to reach unchurched persons with the truth and love of Jesus Christ.

Cost of \$20 will cover the materials, lunch and coffee breaks.
